## **WINE REVIEW**

### **Divine nectar!**

To stir your taste buds in true epicurean style, Le Sommelier has again put together a selection of fines wines to match your most exceptional dinners and enhance the simplest of suppers!

### **CHATEAU DE PRESSAC 2010, Grand Cru Classé Saint Emilion**

Château de Pressac has a good deep colour with an orange tinge. The nose mixes undergrowth accents, cut grass and currants and one detects in Château de Pressac a smooth full body. The initial mouthfeel is silky and firm and the aromatic base changes by the minute. Pair this venerable wine with duck breast and warm summer vegetables.
