Château de Pressac 2018 St-Émilion

Dégustation : 2021-01-21

A boire : 2022 - 2032

Rating : **16.5/20**

A large property with an unusually wide range of grape varieties: 71% Merlot, 16% Cabernet Franc, 9% Cabernet Sauvignon, 2% Pressac (Malbec) and 2% Carmenère. Aged for 18 months in barrel (50% new).

Deep crimson. Toasty, sappy nose. Then sweet fruit almost obliterates the fine tannins. Interesting flavours – perhaps thanks to the unusual *encépagement*. You could drink this bright-fruited wine with its smooth tannins quite young.
