## the 2007 Compendium

Each of the following charts lists, alphabetically by producer, all wines tasted in that category by Wine Spectator editors in 2007, a total of more than 16,000 wines. The organization reflects the order of the preceding analyses, which begin on page 54. An explanation of the 100-point scale appears on page 57. Prices given are release prices; "NA" means not available. For complete reviews, see the Buying Guides of our 2007 issues or www.winespectator.com.
